- 19.2. Notwithstanding anything in any Deed of Trust or Settlement or other document contained the Hirer shall be and at all times remain personally liable to the Supplier for the performance of all covenants on the part of the Hirer herein contained.

20. Power of Attorney**20.1. Appointment of Attorney**

The remedies provided in this Agreement in favour of the Supplier arising pursuant to an Event of Default or after a repudiation of this Agreement by the Hirer will not be deemed to be exclusive but will be cumulative and will be in addition to all other remedies in its favour existing at law, in equity or in bankruptcy. The election at any time to enforce any such remedies will in no way bar the later enforcement from time to time of any other such remedies.

21.2. Quiet Enjoyment

If the Hirer pays the Hire Charge and all other money payable under this Deed and duly and punctually performs all of its other obligations under this Deed, the Hirer may peaceably possess and enjoy the Equipment during the Term without any interruption or disturbance from the Supplier or any other person or person lawfully claiming by, from or under the Supplier.

21.3. Discretion on Consent

In any case where, under or pursuant to this Agreement, the doing or execution of any act, matter or thing by the Hirer is dependent upon the consent or approval of the Supplier, such consent or approval may be given conditionally or unconditionally or may be withheld by the Supplier in its absolute uncontrolled discretion, unless this Agreement otherwise provides.

21.4. Hirer's Risk

Whenever the Hirer is obliged or required under this Agreement to do or effect any act, matter or thing, then the doing of such act, matter or thing will, unless this Agreement otherwise expressly provides, be at the sole risk and expense of the Hirer.

21.5. Non-Merger

None of the terms or conditions of this Agreement, nor any act, matter or thing done under or by virtue of, or in connection with, this Agreement will operate as a merger of any of the rights and remedies of the Supplier in or under this Agreement or otherwise. All such rights and remedies of the Supplier will continue in full force and effect.

21.6. Statutes Not to Abrogate Agreement

Unless application is mandatory by law, no statute, ordinance, proclamation, order, regulation or moratorium present or future will apply to this Agreement so as to abrogate, impair, diminish, fetter, delay or otherwise prejudicially affect any rights, powers, remedies or discretions given or accruing to the Supplier under this Agreement.

21.7. Reimbursement of Supplier

To the extent permissible at law, the Hirer will forthwith upon demand pay to the Supplier by way of additional Hire Charge an amount equivalent to any money paid by the Supplier in respect of any liability imposed on the Hirer under or by virtue of this Agreement, notwithstanding that any statute, ordinance, proclamation, order, regulation or moratorium present or future directly or indirectly imposes such liability upon the Supplier.

If any provision of this Agreement is or at any time becomes void or unenforceable the remaining provisions will continue in full force and effect. Any void or unenforceable provision will be replaced forthwith by a lawful and enforceable provision which so far as possible achieves the same economic benefit or burden for the Supplier and the Hirer as the unlawful or unenforceable provision was intended to achieve. All obligations of the Hirer under this Agreement will survive the expiration or termination of this Agreement to the extent required for their full observance and performance.

21.11. Time of the Essence - No Waiver

Time is of the essence of this Agreement. However, no failure or delay on the part of the Supplier to exercise any power or right under this Agreement will operate as a waiver of that power or right. Nor will any single or partial exercise of any power or right under this Agreement preclude any other or further exercise of that power or right. The Supplier may, at its discretion, at any time and from time to time waive compliance by the Hirer with any requirement including (without limitation) the requirement to pay an amount payable under this Agreement. However, the Supplier will only be taken to have waived any power or right under this Agreement, including (without limitation) any right in respect of any Event of Default, to the extent that the right or power has been expressly waived in writing by a director, secretary or other officer of the Supplier whose title includes the word 'manager', irrespective of any previous waiver of any other breach of the same or any other covenant or provision of this Agreement or any other agreement.

21.12. Hirer's Omissions

If the Hirer omits or neglects or fails to pay any money or to perform any of its obligations under this Agreement then on each occasion the Supplier may at its discretion pay such money or perform such obligation (but without prejudice to any other right or remedy of the Supplier by reason of such neglect or failure) as if it were the Hirer. - 21.14.2. In the case of the Supplier, by leaving it at the registered office of the Supplier with an officer of the Supplier or sending it by post, facsimile or similar electronic facility to the Supplier's registered office.

22. Consumer Credit Code

No provision of this Agreement will be construed in such a manner that it or the resulting interpretation seeks to avoid or modify the effect of any provision of the Consumer Credit Code or any regulations made thereunder; or it results in any obligation on the Hirer to indemnify the Supplier for any loss or liability arising under the Consumer Credit Code.

23. Governing Law and Submission to Jurisdiction

This Agreement will be construed in accordance with the law of the State of Queensland and the law of that State will be the proper law of the contract. The parties submit to the non-exclusive jurisdiction of the courts of that State or Territory and any courts which may hear appeals therefrom.

- 26.4. The liability of the Guarantors shall not be affected or discharged in any way whatsoever in the event that Supplier grants or agrees to grant the Customer any time or any other indulgence or consideration or in the event that Supplier compounds with or releases or assents to the winding up of the Customer or wholly or partially releases or discharges the Customer from any of the terms of the Agreement or in the event that Supplier varies any of the terms of the Agreement.
- 26.5. Supplier shall not be bound at any time to exercise any of its rights under the Agreement or in any collateral or other contract and any omission failure of refusal by Supplier so to do shall not prejudice, affect, discharge or diminish any of the liabilities of the Guarantors hereunder and the liability of the Guarantors hereunder shall not be affected or discharged by any other laches or mistakes on Supplier's part.

- 27.3. The Customer acknowledges that if Supplier's interest under this agreement, and any other related document(s), is a Security Interest for the purposes of the PPSA then that Security Interest relates to the Personal Property and all Proceeds of any kind and this agreement is a security agreement for the purposes of the PPSA.

- 27.4. Supplier may register its Security Interest on the PPSR (including, without limitation, as a PMSI). The Hirer must do anything (such as obtaining consents and signing documents) which Supplier requires for the purposes of:

 - (b) The Sub-Hirer from creating, purporting to create or permit to be created any Security Interest in the Equipment other than with the express written consent of the Supplier.
- If the Supplier does consent in writing to the sub-sub-hire, then in addition to any other conditions that may be imposed by the Supplier, the sub-sub-hire is to be on the same conditions as if the Supplier was allowing the Hirer to sub-hire the Equipment (to protect the Supplier's Equipment and Security Interest in the chain of sub-hires). The Supplier must have the right to make enquiries and/or require the Sub-Hirer to provide evidence to the Supplier direct that the Sub-Hirer has complied with the conditions in this clause to protect the Supplier's Security Interest in the Equipment.
